

**9 -Pin No Tap Tournament:** To benefit Joyce Visintine

**Sponsored by St. Louis USBC**

To our family and friends and many supporters:

You have truly touched our hearts with your love, friendship, offers of help and the generous support you showed at the Benefit held in aid of Joyce Visintine.

It was a wonderful occasion and showed us clearly how joy can be found in even the most trying situations. We deeply appreciate each and every contribution. We wish especially to thank St. Louis USBC & Dale Bohn.

Although we cannot make Joyce better, your outpouring of love and support has provided us with enormous comfort and relief that comes from knowing that we will be able to manage financially for the upcoming months.

We are truly thankful for your generosity and will never forget what you have so graciously done for our mother.

With love and heartfelt thanks,

The Baer Family
